JFSA Lifeline Services

As people age, they often find it overwhelming or frightening to live alone without access to others in an emergency; still, remaining at home may be the best choice. Sometimes, all it takes is the right support.

With JFSA Lifeline* you are linked, 24 hours a day, seven days a week, to an emergency response team. We are as close as the touch of a button, so you can live alone - without feeling alone.

With the press of a button you get:

- *Help when you need it*
- *Reassurance*
- *Peace of mind*

**In partnership with Philips Lifeline*

How JFSA Lifeline Works

It's as simple as 1 - 2 - 3!

1. If you have a medical emergency, push the JFSA Lifeline button which can be worn on your wrist as a watch or as a pendant.
2. Trained professional staff, who have access to your vital information, phone immediately to find out what kind of help you need.
3. Appropriate assistance is sent immediately.

JFSA's Older Adult Services

JFSA is a valuable resource to you because we offer a broad range of services designed to help you live independently at home. We can arrange for additional in-home services including home management services, home health care, personal and family support, home delivered meals, Holocaust survivor and older refugee services and information and referrals to community services.
